Features

- 3.1m Lead
- 2 wide spaced sockets for use with transformer plug packs
- Illuminated on/off switch
- 700J surge protection with indicator. Prevents damage to connected devices from power inconsistencies.

Overview

Ideal for workshops, this rugged HPM Plug Boss 6 Outlet Surge Protected Powerboard features two transformer-spaced outlets for added convenience. It also includes a cord wrapping channel to keep the cord neat and a 'parking clip' to prevent the lead from unraveling when not in use, ensuring a tidy and organized workspace. This powerboard is perfect for maintaining order and efficiency in demanding environments.
