Overview

This rugged, extra-safe HPM Plug Boss Powerboard is for serious makers. If you love spending hours in your workshop making magic with your power tools, it is a trustworthy companion. It features quality RCD protection to prevent electrocution from faults, spring-loaded covers on outlets to prevent dust build-up and a long lead length for more flexible positioning.

Quality You Can Trust

Unique Characteristics

- Safety overload protection - If an overload occurs, this powerboard has a safety cutout, simply push to restart.
