REF. EFLIL150SQWEKIT | EAN. 9321001496151

3 Year Warranty

> [Visit product online](#)

Features

- Kit includes: Inline fan, 5m duct, 2 x internal grilles, 1 x external grille
- Lumens: 480lm
- Easy plug-in connection with 1.8m power cord
- Fitted with gravity-controlled draught stopper to protect against backdraft

Overview

This HPM Inline Exhaust Fan Kit is engineered for versatile functionality, effectively removing steam and odours from bathrooms and venting them outside through an eave outlet. It also serves as an ideal choice for redistributing air from one room to another, aiding in heat distribution.

Quality You Can Trust

Installation

- With the fan engine discreetly installed in the ceiling, well-separated from the inlet, this inline design permits the mounting of the inlet grille in wet areas, including locations near bathroom splash zones or even above showers, ensuring efficient performance in moisture-prone spaces.

Convenient Functionality

- Enjoy fresh air and bright light with our dual-function exhaust fan, perfect for bathrooms and kitchens
