ELECTROSAFE HPM

HPM Electrosafe 4 Outlet 15A Portable Powercentre with RCBO Protection Orange

REF. REPC415 | EAN. 9321001370246

2 Year Warranty

> [Visit product online](#)

Features

- 1.8m Lead
- Double pole shuttered outlets for extra safety
- Built-in RCBO safety switch - electromechanical RCBO will trip within 30 thousandths of a second if the supply neutral is lost
- Type A RCBO - protects the supply against AC earth fault currents and pulsating DC fault currents
- Plug features 'parking clip' to help prevent lead unravelling when not in use

Overview

The HPM Electrosafe Power Center is designed for safety-conscious users, featuring a built-in RCBO safety switch that cuts power within 30 milliseconds to prevent electrocution. It also includes an MCB for localised overload protection, ensuring reliable and secure power management. Ideal for home and workplace use, it combines robust safety features with user-friendly operation.
