Features

- 3 x 1.5mm² flexible extra heavy duty cable
- 10A clear moulded plug and socket with protective safety skirt
- Heavier gauge conductors reduce voltage drop and offers added protection

Overview

This HPM Extra Heavy Duty Extension Lead is built for rugged use on construction sites. Its bright red colour enhances visibility and the 10A clear molded plug allows for easy safety checks. It ensures reliable performance for tough jobs with a protective safety skirt, heavy gauge conductors to reduce voltage drops and a clamping socket to prevent pull-apart.

Quality You Can Trust

Installation

- Ideal for building, industrial and construction sites

Convenient Functionality

- Extra heavy duty tradesman offers added protection from worksite damage

Unique Characteristics

- Unique clamping socket, designed and patented by HPM, holds the plug in place to help prevent lead pull-apart
