HPM Inspire Plywood with Light 4 Blades Hangsure Ceiling Fan 1420mm 56in Black

REF. RCFTRI14H4BL | EAN. 9321001526155

3 Year Warranty

> [Visit product online](#)

Features

- Reliable performance with heavy-duty sealed bearings
- Steel mounting bracket for extra strength
- Enhanced durability with corrosion-resistant plywood blades
- Hang-sure mounting, suitable for all ceiling types including raked ceilings up to a 20 degree angle
- Integrated LED light offering a convenient, long-lasting light source

User Recommendations

- Ideal for rooms ranging from 13m² to 20m².
- Suitable for indoor use only
- The Australia & New Zealand standard implies that the lowest point of the fan blades must be installed at least 2.1m from the floor and the blades at least 300mm from the nearest wall

Overview

Experience comfort and style with the HPM Inspire Plywood Ceiling Fan. This quiet, energy-saving fan enhances any room's modern look and offers versatile lighting with its integrated LED light. Easily switch between cool, warm, and natural white using the color selector switch. The fast connect wiring ensures quick installation, and the specially designed blades provide maximum airflow while staying whisper-quiet.
