HPM

HPM 10A 3 Pin Quick Connect Plug Base

REF. CD37QC | EAN. 9321001462057

> [Visit product online](#)

Features

- Compact size: fit into 70mm cut-out
- Compatible with 1mm² to 2.5mm² TPS Cables
- Extra lock for positive connection
- Marking on terminal for immediate identification of cable slot: minimise error risk

Overview

The HPM Quick Connect Plug Base has been designed for efficiency and ease of installation. This compact plug base fits in a 70mm diameter cut-out. It features an extra lock for a secure connection and clear terminal markings to minimise error risk. Perfect for quick and reliable electrical connections, saving you time and effort compared to hard-wired plug bases.
