Features

- Slimline, wall hugging design with minimum protrusion from power points and 45 degree cord entry so the cable angles away
- Screwed clamp terminals
- 20A plug top

Overview

The HPM 3 Pin flat plug top features a 10mm side entry with a 45-degree cord angle, allowing the cable to angle away from the wall. Its robust and slim design ensures minimal protrusion from power points, making it barely noticeable. Suitable for round cables, this plug top is rated for 20 amps. It includes screwed clamp terminals and is fully approved to Australian and New Zealand standards.
