- Cut-out size: 96 x 40 mm

## Overview

The HPM Electrasafe RCD Protected Power Points enhance safety in your home, office, and workspaces. They protect against electrocution by interrupting the current if a faulty appliance or live wire is touched. Featuring conveniently located blue trip and white test buttons, these power points are compatible with all standard mounting accessories.

## Quality You Can Trust

### Installation

- Residual Current Devices (RCDs) are designed to cut off power supply within 30 milliseconds when dangerous leakage currents occur
