Overview

HPM Architrave rocker switch 2 gang to fit narrow palces such as door frames. Made from a durable material with classic design that suit all kind of interior. Award-winning, Excel was the first range to feature interchangeable coverplates. Available in a wide choice of sizes, colours and finishes, the snap-on cover plates can be quickly and safely changed that save time. Painting is very easy because you can take the coverplate off and paint right up to the edges.
