HPM

HPM NSW 24/7 Slimline Double Pole Digital Timer - Twin Pack

REF. D817SLIMTPDP

3 Year Warranty

> [Visit product online](#)

Features

- Slim design (fit 2 timers in one double powerpoint)
- Up to 16 different "ON" and "OFF" switches per day
- 24/7 programming allows you to set specific ON and OFF switching for each day of the week
- 24/7 programming allows you to set specific ON and OFF switching for each day of the week
- Rechargeable battery backup

User Recommendations

- Suitable for indoor use only
- Countdown mode: use with festive lights so they turn OFF after you go away
- Home-safe mode: randomly delays start and finish times of your programmed setting by 4-32 minutes. This helps provide added security to your home by creating an unpredictable pattern for lighting when you are away

Overview

This slim, clever timer can be used as a 7 day timer, 24 hour timer or clock. The digital display is easier to read than analogue dials. Plus, the timer is quiet, no ticking sounds! Use it with festive lights, heaters, fans, heated towel rails, dryers, washing machines, coffee machines and other kitchen gadgets.

Quality You Can Trust

Convenient Functionality

- Silent operation, no ticking
