> [Visit product online](#)

Features

- Recessed render bracket to suit standard 84mm fixing centres
- Suits all kinds of standard and lower profile products including Arteor and Linea
- Multiple fixing points to wall surface
- Large product opening and sliding nuts allow easy leveling of switch or outlet
- Smooth rounded edges for a safer installation – reduces risk of injury or damage

Overview

The HPM recessed render bracket, made from stainless steel, is designed to suit standard 84mm fixing centers. Its multiple hole design offers greater flexibility during installation, ensuring the process is quick and easy. It is perfectly compatible with the Standard, Arteor, and Linea ranges. Ideal for both residential and commercial applications
